Does your child love horses?

Then there is no better way to spend a summer than at Briarwood Farms' Summer Riding Camp. Here, your child can fulfill dreams of being close to horses while enjoying the companionship of other children who share the same passions and interests.

At Briarwood, your child will learn to ride or improve his or her skills on our safe and reliable school horses under the supervision of qualified instructors.

Children participate in riding lessons of no more than eight students, twice daily, ensuring lots of quality "horsey time." In the barn, instructors cover the basics of horse care in a hands-on format – grooming, tacking up, safety, equine anatomy, feeding, and much more.

While most of the activities are centred around horses, other fun activities such as games and arts and crafts will also be planned.

What basics will my child need to bring for riding?

- Approved riding helmet*
- Boots or shoes with a minimum 1/2" heel
- Long pants (not jeans as seams can chafe)
- Gloves (optional)

And what will they need for the rest of the day?

- A pair of shorts
- Running shoes
- A lunch & snacks (we have a fridge for storage)
- Lots of liquids

*Note: We have a limited number of approved helmets available for use, until rider can purchase own helmet.

Just a few features of our outstanding, full-service facility:

- **Indoor riding arena with attached viewing room**
- **Large outdoor riding ring**
- **Well appointed stables on private estate**
